

PACK 411 LEADERSHIP ROSTER

Volume 42

Pack 411 - December 11, 2003

Issue 4

In Cub Scouts, we strive to teach our boys to "Do Their Best". The best way to teach, is by example. We'd like to thank the adults listed below who are setting an example of doing their best while providing service to others. We need help in filling the open roles below, so if you are not a Den Leader, please let us know which role you can fill - or create! Also please let our Pack Data Administrator know if there are any errors in this information.

"A Cub Scout Gives Goodwill"

There are many ways to look at the Pack 411 Leadership Roster report. What everyone should know is that leaders from other Packs have told us that they are envious of the size of our leadership roster, and the number of parents that devote time to fulfilling our Pack's mission statement - to continually be one of the premiere Packs of our District and Council. The second way to look at this is with relief - with so many people helping out, each job stays small and manageable - as it should be. We can also be relieved that our Den Leaders, who do so much for our boys are not asked to help out with Pack offices. The bad news is that there is reason for concern - Den 1, who has done so much for our Pack for so many years will be graduating this spring. We need people to step up and take on the roles that they have held so that we can keep our program strong.

"Do your Good Turn not only to your friends, but to strangers, and even to your enemies"

 Founder of the Scouting movement

Give!

Anne Frank,
March 26, 1944

How wonderful it is that no one has to wait, but can start right now to gradually change the world! How wonderful it is that everyone, great and small, can immediately help bring about justice by giving of themselves!

As with so many things, most people seek justice in very different quarters, and grumble because they themselves receive so little of it.

Open your eyes. Be fair in your own dealings first! Give whatever there is to give! You can always - always - give something, even if it's a simple act of kindness! If everyone were to give in this way and didn't scrimp on kindly words, There would be much more love and justice in the world!

Anne died in the Nazi concentration camp Bergen-Belsen in March 1945. She was 15 years old.
