Welcome to Pow Wow!

We trust you will have a great experience learning more about the "how-to's" of Cub Scouting today at our annual Cub Scout Leaders' Pow Wow! Many experienced Cub Scout leaders have prepared sessions for your enjoyment and learning, and we thank them for their time and effort.

We hope you will use this book to give you ideas and assistance as well. We want to thank all of those who have contributed to producing this excellent resource.

Have fun today and throughout your Scouting experience! And please call on us if we can help make your Scouting more enjoyable or be of help in any way.

Yours in Scouting,

Douglas R. McDonald
Council Scout Executive/CEO

CHARACTER EDUCATION FOR THE NEXT GENERATION OF SILICON VALLEY LEADERS

Remember Scouting in Your Will

From the editors

This is our fourth year editing the Pow Wow book. As in the past three books, this year's includes some oldies and some "newies." Many ideas came from Pow Wow books from all over the country -- Texas, Michigan, Washington State and our neighboring councils. Many ideas were borrowed, and often adjusted. A few are our originals. Some came from boxes of notes I collected in the past several years, some typed, some jotted down on a torn piece of paper and not legible at all anymore. (I sure felt like a proverbial tax payer with a drawerful of receipts.) We hope you like our selections. We tried to avoid as much as possible duplicating the Cub Scout Leader How-to Book, Staging Den and Pack Ceremonies, and the Cub Scout Songbook. This year we included references to these books where applicable. We also avoided duplicating Program Helps and the Council's recent Pow Wow books.

There are a few changes this year. The content pages are more detailed, listing individual items. Hope this will make it easier for you to use this book. We didn't include as many non-theme related ceremonies this year but included a generic ceremony creating formula on page iii.

We would like to thank all our friends who supported us and for putting up with our annual grumpiness. Some sent us their Pow Wow books, some gave us field trip information. Some have great shoulders to lean on.

Thank you, Emmette and Leslie, for sending us your cooking section early every year.

We'd like to thank our Pow Wow Chairman, Les Schreiber, for his patience. We really tried this year to finish it earlier, Les, honest.

We also would like to thank our sons, Sean and Alan. They listened to our crazy skit ideas and learned to navigate through piles of books and papers in the living room.

Sakiko and Phil Wehrman

DISCOUNTS AND DONATIONS

There are many stores in the Valley that give Scouters a 10-15% discount. They don't advertise the fact; so you have to ask them. Next time you shop for your den or pack, ask if the particular store gives any discount. Don't forget the copy shops. You may be asked to show your registration card. Always carry yours with you. Many supermarkets, discount shops and restaurants make generous donations to packs and troops. Again, ask. For most donations, you will need to make a written request, preferably on letterhead of your pack, at least 2 weeks in advance. Common maximum donation amount is \$25 worth of goods.

Some camping and outdoor equipment companies will give you a discount on items for your personal use if you tell them you are a registered Scouter.

If you need a large quantity of scrap leather for your pack, call Saltz Tannery in Santa Cruz. For their address and phone number, see the Field Trip section at the back of this book.
